Annex A13¹**Declaration of the Lead beneficiary/beneficiary on maintaining the projects results and objectives for at least five years after project completion**

I, being the authorized representative of the [name of the Lead beneficiary/beneficiary *automatically inserted basing on the information provided in point 9.1/10.1² – Name of the organisation in English*] hereby declare that the results and objectives to be achieved by my organization under the Project [automatically inserted basing on the information provided in point 1.1 – Project title in English] within the Cross-border Cooperation Programme Poland-Belarus-Ukraine 2014-2020 will be maintained for at least five years after project completion.

In addition I declare that the purpose and ownership of the project infrastructure /investment component will not be changed for at least 5 years after the closure of the project. It will be maintained for at least 5 years after the closure of the project without any substantial change affecting the infrastructure / investment component's nature, objectives or implementation conditions, which would result in undermining its original objectives.

I am fully aware that any project including an infrastructure/investment component shall repay the Union contribution if, within five years of the project closure or within the period of time set out in state aid rules, where applicable, it is subject to a substantial change affecting its nature, objectives or implementation conditions which would result in undermining its original objectives. Sums unduly paid in respect of the project shall be recovered by the Managing Authority in proportion to the period for which the requirement has not been fulfilled.

(place and stamp)

(signature and stamp)

¹ Number of Annex A13 generated automatically basing on the number of beneficiaries in the FAF.

² If relevant 11.1, 12.1 etc. - depending on the number of beneficiaries.

Annex A14

Detailed description of the capacity building component
--

Note: The capacity building component should be understood as a soft component related to the infrastructure investment. The exceptional cases when this soft component may be lifted refer to cases when it can (and shall) be demonstrated that the soft component would not bring any added value.

Project Lead Beneficiary:	<i>(inserted automatically basing on the information provided in point 9.1 – Name of the organisation in English)</i>
Project title:	<i>(inserted automatically basing on the information provided in point 1.1 – Project title in English)</i>
Describe the capacity building component with a clear link to the infrastructure component of the Project (trainings, workshops related to the infrastructure, development of strategies etc.)	
<i>Please, fill in the description (max. 1000 characters)</i>
